

# Studio Spaces with Coventry Artspace – FAQs

## How much does it cost?

Resident membership fees vary between £65 and £90\* per month in the first 12 months. This rises to £95 to £135 per month for the second 12 months and £130 to £180 per month for the 3<sup>rd</sup> 12 months. This includes heating, electricity and wifi. Residents pay membership monthly in advance and must also pay 1 month as a deposit + a £10 key deposit at the beginning of their residency.

\*membership fees are subject to annual increases

## How long can I have a space for?

Residency memberships are 12 months in the first instance. With the agreement of the Artspace Advisory Group the membership can be extended for a maximum of 2 years with an increase in membership fees each year. Please note that Artspace works in 'Meanwhile Spaces' which means we do not have security of tenure. If we are required to move out of any of the spaces we work from we will endeavour to find an alternative space to house our studio holders, but cannot guarantee this. We do not expect to move out of either Eaton House or The Row within the next 12 months, but residents should be aware that this is always a possibility.

## When can I have access to my studio?

**Eaton House:** The building is open with a staffed reception desk between 7am and 5.30pm Monday to Friday. There is also access in the evenings until 9.30pm and on Saturday mornings until 2.30pm. If you require this additional access let us know in your application form.

**The Row:** The building has 24 hour access open to studio holders every day.

## What parking facilities are there?

There are no parking facilities with the studio space.

**Eaton House:** reception staff are happy to let residents park outside the building for short periods of time to load / unload. There is 3 hours free parking at Central Six Retail park across the road.

**The Row:** there is a gated service area at the back of the building which can be used for short periods to load and unload.

More information about nearby parking is available here

[https://www.coventry.gov.uk/info/117/parking/581/car\\_parking](https://www.coventry.gov.uk/info/117/parking/581/car_parking)

## Are the studio spaces heated?

The studio spaces are heated in the winter.

## Can I paint in the studio?

We do allow 'messy' work, providing residents take suitable precautions to protect the space (eg putting vinyl or plastic over the floor and covering walls where appropriate).
